FLOPPY FLOPPY FARM ANIMALS

A book filled with surprises! Some of the animals are hiding, and there's only one way to find them. Lift each flap in turn and discover something unexpected!

Like *Flippy Floppy Jungle Animals* (Kane Miller, 2013), *Flippy Floppy Farm Animals* is full of fun and great for beginning readers to learn to sequence from left to right. There's a spotting game too – find the little mouse in every scene!
