NAT THE CAT'S SUNNY SMILE

*Read the story, sing the song!
Song music and lyrics included.*

Nat the Cat jumps out of bed with a smile spread halfway around her head. She's packed a delicious picnic to share with her friends, Billy Goat and Hugo Hare. But Billy and Hugo are both feeling down. Luckily, she can pass on her smile to her friends!

A deliciously satisfying story about how our moods can affect others and the power of a smile.
